

# Travelling Thief Problem

## Evolutionary Computation

Prepared by William Reid, Matthew Hart, Samantha Peachey & Alec Bellati

School of Computer Science,  
The University of Adelaide

October 5, 2014

### Exercise 3

#### 1 Algorithm

This algorithm DOES THINGS

**1.1 Profit Evaluation**

**1.2 Useability on Problem Types**

**2 Modifications for Larger Data Sets**

**3 Testing and Additional Methods**

## 4 Conclusion
